Dear Parents

### The School Asthma Card

I am pleased to advise you that this school takes its responsibilities to pupils with asthma very seriously. With advice from the National Asthma Campaign, we have a School Asthma Policy for use by all staff.

As part of accepted good practice, we ask all parents of pupils with asthma to help us to complete a School Asthma Card for their son or daughter. These can be collected from the School Office. Please take this card to your doctor/nurse for completion and return it to the school office.

The completed card will have details of the pupil's current treatment and also what steps to take if they should have an asthma attack at school. The card will help school staff to ensure that pupils with asthma receive the best possible treatment at all times.

Please advise the school if your child's treatment changes.

On the subject of inhalers we make four requests:

1. Please ensure that your child knows exactly how to use their inhaler.
2. Please label each part of the inhaler with your child's name.
3. Please ensure that your child has **TWO** inhalers in school (one to be kept in the classroom with the child or the class teacher. The second to be kept in the school medical room for breacktime access.)
4. Please ensure that your child has at least one spacer in school. Please label with your child's name.

Thank you for your co-operation in this important matter.

Yours sincerely

LAURA RODGER  
Headteacher
